

Need to return items?

No problem of course. Return your items to us **within 30 days**, free of charge. Make sure to check the following rules below:

- **Seal it with a kiss**
Do not open the sealed packages. Only closed packages are eligible for returns, this way we can ensure the hygiene of our products.
- **Use a sturdy, padded envelope**
Don't skip this part! If there are damaged or missing items from your return shipment, we can't issue the refund.
- **Stamp? Skip it!**
Returning products to us is completely free of charge. Use the address label below, stick it to the envelope and you're good to go!
- **Use regular mail**
The preferred method for returning items to us is by regular mail, in an envelope fitted for regular mail slots. If the items are too large for a basic envelope, switch to a box suitable for international shipping and ask your local post office to handle the return shipment.
- **Refunds**
We'll issue the refund for accepted, returned items immediately. If you need a replacement, we kindly ask you to order the new items on our website. This makes our return procedure easy, superfast and convenient for everyone.
